GENERAL ABATEMENT ENQUIRY FORM

Company _____
 Address _____
 Contact Name: _____ Telephone No. _____
 Fax No. _____ Contact _____ e-mail _____
 Date _____ Application Location _____

BASIC DETAILS SINGLE OR COMBINED STREAM:

Problem Type: VOC ODOUR CONTROL ACID GAS AMMONIA FGDS DUST/PARTICULATE

PARAMETER	DETAIL	PARAMETER	DETAIL
Air flow (<input type="checkbox"/> Nm ³ /hr or <input type="checkbox"/> Am ³ /hr)		Temperature (°C)	
Relative Humidity (if known)		Hours per year this emission is present	

For multiple streams complete back of form

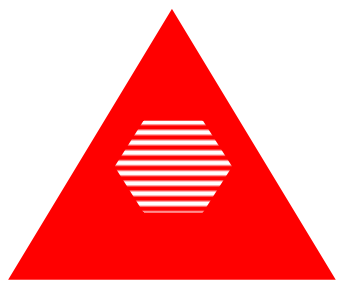

CONTAMINANTS

CONTAMINANT NAME	CONCENTRATION*	CONTAMINANT NAME	CONCENTRATION*

*Please indicate concentration units (e.g mg/Nm³ or ppm or mg/Am³ or alternately mass flow at kg/hr)

PROCESS DETAILS

- Is the process a batch process YES/NO if yes what is the cycle time and emission period _____
- What is the operational shift pattern? _____
- Will any of the equipment be in an electrically Zone Area? _____ Zone Rating: 0 1 2
- What is the electrical supply?: (e.g 3ph/415V/50Hz) _____ is rectification required ? YES/NO
- Describe the process and industry below:

A.S.K Pearcey Ltd
